Hi Alysa,

I don't believe we really have any issues. Anything that we do have are UIC matters.

## Nonresponsive based on revised scope

I'm also working on a Response to Comments for the Seneca Nation for a UIC Class II permit for Roulette Oil & Gas. I've had continuous meetings with A.J. D'Angelo, the lead attorney for the project. We're hoping to get the Response to Comments finalized next week and put into concurrence for ORC & WD approval the week of July 12<sup>th</sup>.

I think that's really all the active issues we have in ORC right now. If Kelly is on the call, she should already be aware of both of these permitting actions.

Thank you for checking in!

Hi Kevin. Checking-in with you (per Karrie's email below). There's an ORC meeting on Tuesday that I will attend. Any issues for the regional attorneys from the UIC or SWP groups?

Thanks,  
Alysa
